Why invest in Manchester?

Manchester is highest ranked English Metropolitan Districts City in UK 2024

No.1	1.4%
2.2%	12.2%
19.3%	21.1%

the city filled with skilled graduates and working professionals

There are several universities within or close to the city, including the oldest Group 1 university of Manchester. As a result, there is a population of around 200,000 graduates and the highest percentage of the population holds business degrees of 25,000. International students comprise a significant part of the student population and provides other choice to stay in the residential areas surrounding the campuses after their education.

Major businesses target Manchester as a prime location for employment talent.

South Africans qualify for mortgages based on the development they are investing in and not on their financial affordability

As an investor from South Africa looking to diversify your portfolio, you understand the importance of choosing markets with solid fundamentals and growth potential. Manchester, one of the UK's largest cities located in the northwest of England, checks all the boxes for an investor seeking a great investment.

With a thriving economy, four leading universities, and significant infrastructure improvements on the horizon, Manchester property investment is poised for even more growth in the...
